Dear Sir,

Further to my letter of 7<sup>th</sup> February 2003, I have tried to contact my Patent Attorney, Mr. Michael Folise, but have been unable to do so, either by phone or Fax.

I need some assistance in locating him as I am in Australia and I came to America last year in order to find a Patent Attorney who could deal with my application. Could you please advise me on how to go about locating him in order to supply you with the updated information you require?

I feel that this problem is urgent, as it is about 5 months since our last correspondence. I am grateful for any assistance you can offer me.

Yours faithfully,

*J. P. Gahan*
